The Premises:

The flat is located in a select area and is very clean. The decor is a bit quirky but interesting just like Amy. It has a welcoming feel and you feel very secure.

The Lady:

Amy is not tall nor is she small. She has waist length dark hair and her glasses give her a librarian look. She outwardly dresses down, which tends to hide away her enormous natural boobs. She is very curvaceous, pretty and all woman.

The Story:

This was my second date in as many days. We first ate out at a nearby restaurant and then back to her flat. Amy delivered the most perfect GFE that I could have wished for. She is warm, funny and extraordinarily affectionate. The sex was off the scale and all the services that Amy offers were available. Amy truly enjoys sex and she comes like a steam train. Her boobs are gorgeous and I couldn't leave them alone. My time spent with Amy was unhurried, she does not watch the clock....unlike me! I'm watching the clock and ticking off the days until my next visit.
