The Premises:

Pleasant, clean flat about 20 mins. walk from the tube. Entrance is behind a shop & You have to climb a couple of flights of stairs.

The Lady:

Gorgeous looking Hungarian lady probably in her late twenties. Slim with small boobs & about 5'7.

The Story:

I decided to visit after reading her previous good reports on this site & seeing her pictures on the other site.

I expected a really friendly, sexy smiling lady who would go out of her way to please & this is exactly what I got. After parting with my cash we were immediately into passionate DFK which she was happy to continue as long as I wanted. Then a bit of sexy massage followed by reverse oral, she was so enjoying it I even rimmed her a bit, this is not something I have done before but I enjoyed doing it to her & judging by the sounds she made she enjoyed it too.

It was obvious that she really enjoys sex & she is very responsive & uninhibited. I finished with OWO & CIM with her playing with my anus which made for a very intense orgasm.

Lovely, sexy lady who practically begged me to come & see her again. Her English is a bit limited but this did not cause a problem.

Highly recommended & very reasonably priced. Only drawback for me is that I live in South London so it was a bit of a trek but well worth it.
