The Premises:

Really clean. At the back of a parade of shops. I phoned as I arrived to establish the entrance, but she guided me.

The Lady:

Lovely Blond Hungarian girl slim and quite tall - about 5ft 8ins. Full of smiles. Nicely turned out and presentable. Maybe late twenties perhaps a bit more, but wow what a girl. Great attitude, eye contact I had a feeling of being with someone I really wanted to be with and that she felt the same. Really genuine. English was a bit limited but not a problem.

The Story:

Having read the reports I had to visit Cristin. She was everything other punters had described - outlandishly in-expensive. I thought there must be a catch - but not at all. Talk of GFE I found myself falling for her. After unlimited DFK, I gave her RO and which she clearly enjoyed and came to a huge climax. She returned OWO with outstanding technique.

She slipped on a sheath and I found myself coming much earlier than normal. Couldn't hold back. The time disappeared all too quickly. She offered me the bathroom for a shower.

She really wants her men back. Treat her well - you won't find another like her at any price. I gave her a tip to show my appreciation and to help address the difference between her worth and her charge. She really deserved it.
