The Lady:

Go to Amy's website and you will see what she looks like. Beautiful. Long luxeriant black hair, pretty nose, sensual lips, intelligent eyes, big bust, slender legs, lovely bum!

The Story:

It was fantastic, we corresponded via e mail and had one phone call. Amy has a great sense of humour, she is chatty, quirky, interesting, articulate and very very sexy.

Amy can kiss for England, for the whole world. If there was a competition between the earth and a far away intergalactic planet for the best kisser, you would want line Amy up against any siren. Amy would conquer all.

Oral with condom fantastic.

Cow girl, Amy on top looking at her bouncing boobs, beautiful face, hair spilling across her face, what an image.

The best providers leave me happy, relaxed and ready for another day. I have found some very good providers in the last 19 months. I am happy to have found such a warm interesting woman. If you like genuine women, that are good at their work, and are interested in everything from football to medicine to DIY. Then you can not fail to have a great time with the wonderful Amy.

I love the squeals, and jerks of her body as we cavorted

I loved the fact that Amy held a d cuddled long after I had climaxed. Thank you Amy
