### The Premises:

Nice hotel near Kensington High Street

### The Lady:

As per her web site, a genuine and down to earth 36 year old independent, normally based in Scarborough. Amy is curvy (Not fat but not skinny either) with long dark hair, big blue eyes, nice skin and natural 34G breasts. She dresses smartly and tries very very hard, and fails, to get into far too small blouses!!

### The Story:

Another lady found via Punternet contacts.

I had spoken to Amy on several occasions and we had even tried to meet up for lunch (and afters) in Blackpool when our paths almost crossed before but never managed it, so when I found out she was touring London, I trekked over to see her.

I texted her a confirmation before setting out, however the journey was murder with trains running late and cancelled and it took three changes before I was sure of arrival. Despite the confusion and chaos, I arrived within a minute of the stated time and phoned Amy who gave me directions to her room so that I could by-pass reception completely.

On arrival I was greeted with an enthusiastic and well presented Amy who was smaller than I had expected but full of vigour and who proceeded to greet me lustily.

Apologising for being hot and sweaty I dispensed with the paperwork and went into the bathroom for a quick shower, assisted slightly by Amy who chatted to me and provided a fluffy towel brought from her home.

After that, naked bar for a towel I came back in to the room and protested that (Unusually for me) the lady was still fully dressed.

She quickly and joyfully rectified that and we got down to mutual exploration.

What followed was the usual things that go on when two experienced people decide to make smiles but for those that need more details suffice to say that her pussy is well shaven and tasty, her mouth soft and gentle no matter how you are experiencing it, her breasts like comfy pillows with very responsive nipples and overall she is an easy lady to spend a very very pleasant hour or so with.

After the main event we lay and chatted for a while and then repaired to the bathroom for a very

pleasant shower and rub down.

We then left the hotel and repaired to our lunch appointments which by that time were almost dinner.

At the end of the day, if you want a good, down to earth Working Girl with a great attitude, who is uninhibited and has an adventure playground for a body, then Amy is probably a very good bet
