The Lady:

As in Amy's website. All woman! Full of curves, not too tall, long raven hair and pretty face, and her advertised age is, I'm sure, genuine.

The Story:

I'd arrived after a long drive, having checked Amy's website and previous FRs thoroughly. All that was promised was fulfilled, and the long journey very amply rewarded!

I was greeted with a lovely long snogging session, getting both of us warmed up. Amy is wonderfully responsive and has an easily aroused body. We moved to her bedroom, which is very private (and well-beyond the reach of prying ears, which was just as well!!)

We were quite soon undressed and Amy knelt to provide OWO, very deep throat. At that point the tensions of the car journey just vanished!

I offered to return the compliment, which soon got her twitching and moaning with appreciation - a great turn-on of course. On with a condom, and we began a long session of missionary, with more appreciative vocals and powerful twitches from Amy.

I'd asked for A in the emails we'd exchanged when I'd made the booking (Amy, very sensibly, only provides this if you give her plenty of advanced notice) - and very gently we began. Slowly and surely she got more and more excited, and it didn't take long before I was in up to the hilt. I was then rewarded with her most fantastic, shuddering climax that seemed to go on and on, with lots of vocal accompaniment: brilliant!

I didn't want to cum, so we cooled down for 5 minutes while she lay in my arms, playing with me very sensually to keep me good and hard.

Soon I was more than ready to start in earnest again. I suggested 69, and Amy eagerly agreed. I have to say this was just wonderful - seemed to go on forever. Wow, is she all woman! - her wonderful heavy breasts brushing me while she deep-throated me, and me enjoying her lovely sweet clit and her gloriously round arse, trembling as I licked and sucked. At last I came in her mouth and, almost simultaneously, Amy enjoyed another huge, shuddering orgasm. What a fantastic grand finale!

We then cuddled and chatted: absolutely no rush at all, and finished with lots of chat over a coffee

in her beautiful living room. It seemed as if we'd be friends for ages. A really great and rewarding time. Amy is not only so very raunchy, her company and sense of humour is a delight too. Thanks a million Amy! You easily score eleven out of ten. A real gem. A very pretty lady with down-to-earth intelligence, and quite amazingly sensuality - a perfect GFE.
