pretty face much better than in the photos,if you run the video clip of her on her webpage you can see what i mean.100% this is the girl i visited.

The Story:

Natee is new in town she arrived on the 9th of March [she told me]and that is what is special about her.Fresh, enthusiastic and passionate.

this is a true GFE my time with Natee was not sex but making love.

Here,Olina, have once again found a first class escort, how do they do it ? where did they get this Angel from?, i mean do they pick out the most beautiful girls as they pass through arrivals terminal 3 and sign them up before they get on the tube into London! !

As soon as i got into the room Natee was kissing me and the kissing never stopped. Every time i opened my mouth her tongue was in it, natural, sensual DFK holding my face in her hands.

she offered me champagne to drink. Every thing started slowly, she undressed me slowly,shoes,socks,trousers etc. touching, pausing only to kiss me, sexily putting her fingers in her mouth as you see on the video.

" lets take a shower, darling "

Natee is a hot little girl who enjoys all services, she loved RO and my attention to her arse which made her come all the time purring like a cat, moaning, groaning. OWO and CIM naturally preformed.

"make me come again darling"

For me it was all about not coming too soon, trying to hold back to prolong the pleasure and Natee was expert in this. Going through all positions, did not try A but think she would enjoy it as she loved fingers in both her parts and got wet and excited.

" let me play with your arse" she said and put a condom on her fingers to pleasure me, no use of toys, not nessasary.

Finished with CIM after she said, "I want your sperm in my mouth please, now please" This was one of those orgasms where your legs tremble and you just keep your cock in the back of her throat for what seems forever.

she goes to the bathroom and returns all smiles.

We lay together on her bed, touching,talking, her english is pasable but she speaks with her hands and mouth, the language of love.
she slowly dresses me,still kissing me.

I leave with a promise i will be back to see her as i know the next time will be even better.

" can we do WS next time "

her reply, "I can try,I only ever do one time, I can do for you, drink plenty water darling"

That sums it up, with this girl you feel you are the man she has been waiting for,eager to please you. I strongly recomend you guys get to visit her soon as she is is new, this is not regulated sex with a wg. Natee is the one you want to take home with you and wake up with in the morning.

she completly exhausted me, as i got out the lift on the ground floor i had to stop and take a sitdown on that sofa on the left by the doors to regain my strenth and ponder did all that really happen and why, when i live only 45 mins from this block did it take me 90 mins to get home.
