### The Premises:

Beautifully kept apartment in a well know block in an busy well-to-do area.

### The Lady:

Very pretty. Taller and fuller busted than other asian ladies I have met. Dressed in fishnet hold-ups, corset and g-string.

### The Story:

If you object to purple prose from a first time poster please stop reading now.

I have been an avid report reader over the last 6 years but in that time only punted a dozen times or so, and never before felt compelled to write a report. With Natee the customer truly is King.

Kissing was sensual. Oral the best I have experienced, as close to porn style deep throat as I think I am likely ever to come. Her rimming left me in no doubt my money was well spent. In doggy Natee was so tight I genuinely thought she had squeezed me straight up her arse, but I did not go there.

The interim massage was so good I almost fell asleep, but Natee was determined that I cum a second time, a rarity for me, and worked tirelessly until I came in her mouth.

I must no re-cycle the following cliches:

Looks better than the pictures.

Didn't want to report because I want to keep her all to myself.

Please treat her with respect.
