The Story:

A very friendly girl who provided enthusiastic service. However, I was disappointed to find just how super-airbrushed her pics on the website are. No one minds a bit of highlighting, but she was only just recognisable facially, and bodily she is far less toned than the pics would lead you to believe. If you are aware of that upfront, and don't mind, then Karolina will give you a good time. Personally, I only punt at all because it gives me access to beauties who wouldn't otherwise have anything to do with me, so this was a let-down.
