The Premises:

Small place in the main street in Crewe above a shop. Friendly, clean, with front and rear entrances. It now has three bedrooms, all with en suite showers. There is a small car park at the rear but there is plenty of parking in the side streets or at the nearby Sainsburys.

The Lady:

Sienna is a friendly, cute, petite blonde with a nice curvy figure. She has soft, natural breasts and is shaved down below. Very nice!

The Story:

My regular girl was off today so I thought I would meet Sienna who was fairly new here. Following a quick shower I waited with anticipation and after a few minutes there was a knock at the door and Sienna entered. She was wearing a tight, black strapless mini dress with matching bra and thong. Her long blonde hair was in a pony tail.

After some small talk we were soon having a few sensual kisses as I sat on the bed, she then removed her dress and bra. I kissed and fondled her warm, soft breasts and sucked her nipples as she stroked my hardening cock. I suggested a massage, so as I lay back she removed her knickers and then she lay on top as we kissed again. She worked her way down my body and took my rock hard cock in her mouth as she caressed my balls. She was very good!

I then suggested that I give her some attention. She lay on her back and after more kissing and fondling I found myself between her legs where I introduced my tongue to her clit. She was enjoying this, even more so when I slipped a finger in and found her G spot. After a few minutes she was writhing about as she approached orgasm. She finished up very wet and breathless!

Onto more OWO as I decided that I wanted to give her a good messy facial and CIM. It wasn't long before I was straddling Sienna, with her mouth open waiting for my juice. After a helping hand, I exploded and creamed all over her mouth and nose with only one stray shot going over her head! She carried on sucking until I was empty and she did say that she swallowed some of it.:)

Further small talk followed as we cleaned up and then I jumped in the shower while she dressed.

Thanks Sienna for a very enjoyable half hour, hope to see you again.
