### The Lady:

Mid 20s Slovakian model, 34"D enhanced boobs, 5'7" tall, size 10 curvy figure, long sexy dark hair, beautiful eyes & face, she has new photos on the site, they are great, show a true likeness.

### The Story:

I've been seeing Val for a while now, on and off when she visits blighty, I noticed It was her last day of her trip, so made sure to make the appointment. Was let Into the flat and greeted by Val at the door, she was a sight for sore eyes, looked gorgeous as ever, was offered a drink and had a bit of a chat and catch up.

Got my kit off and we got busy on the bed, lots of DFK and caresses, I still enjoy playing with her big boobies, has nice big nipples, OWO was provided, Val Is quite the oral expert, has a very good technique, lots of use of the tongue, and licking of balls waa waa wee! did some 69 too, lovely tasting pussy.

On with the rubber, and went through the positions, good cowgirl, with lots of kisses and squeezes, did doggy and a couple of variations, and then Mish, finished with cumming on Val's chin, don't think she does CIM.

Val Is very Interactive, and Is a lot of fun In the room, and willing to please.

On a side note FR95375 from a Jimslip looks to me like he has some sort of agenda, It's down to the readers to judge, and as the record shows Valerie has 15 positive FR's to her name. One of the reasons for punting for me Is you can meet stunning ladies like Val, and have a great time, highly recommend her when she's In MK.

P.S. I was briefly Introduced to Jasmine on the way out, wow she looks better than her photos,

another very sexy woman, I will have to go and see her soon, to many ladies and not enough time lol.
