The Premises:

Very clean basement flat 5 mins walk from Lancaster Gate tube station. Nice clean and tidy bedroom, with sofa, double bed and plenty of large strategically placed mirrors and nicely lit too.

The Lady:

A very petite and pretty Thai girl, about 4'10 I would estimate. Wonderful medium sized natural breasts, silky soft skin and a perfect little peach of a bottom and shapely legs. Tasteful tattoo on one shoulder and very nice shaved pussy. Great smile, and bubbly personality, although not a lot of english spoken.

The Story:

Seen this girl 3 times now, so that must say something! I'm only writing this review because she asked me to.....I'd much rather keep her all to myself if I could! But she deserves a great write up as she's a fantastic girl and a great punt. For such a small girl she can take some serious cock, so any big fellas don't be afraid to give this girl a go. She gives great OWO and very passionate KWT and being so light you can do some proper porn star positions with her in front on the mirror, in fact you can hold her with just one arm she's so little. I'll definitely be going back for more 10/10 !
