The Premises:

Nice basement flat, nice area near Baron's Court and sparkling clean.

The Lady:

Carly is a good looking girl, no question. Not the type that you think "GOD DAMNNNN" but more like "Nice, VERY Nice. She's got a body that belongs on a beach, all over tan. Lovely.

The Story:

Arrived at the flat and pressed the bell. Seemed like an eternity before Carly answered and even thought I'd buzzed the wrong flat. :-) She appeared and let me in with a kiss on both cheeks (not those cheeks!). She's very chatty so no awkwardness, and she has about 200 (ok exaggerating)candles lit up to make a nice atmosphere.

Chatting for a bit, then kissing/stroking and she then did OWO with a bit of handy hand work too. It's very different to how I've had it before, but each girl has her own action. It certainly did the trick in not too long time with me finishing CIM. More chat and stuff, then I went deep deep down for some DATY. After a while I said to Carly "Blimey you're hard work" and she replied "No, I'm just enjoying it" and enjoying it she was.

More chatting and stuff, then the little fella was up for some more action. She jumped on top and rode me like Zorro. After a while, it wasn;t going to happen I could tell and she finished me off CIM again, which I love anyway. She keeps going even when you come, when some girls stop and it's the worst thing they can do.

Carly's owo is top notch for sure. She's super friendly too.

Her friend was in the other room, which was down the hall but never saw or heard her. Apparently she was busy giving Carly's dog a haircut, and Carly was a little disturbed how it turned out...lol

Nice girl, definitely recommended. She told me some guy got turned away because he turned up with brown teeth. So if you've got brown teeth, go see the damn dentist and sort it out me old china.
