The Story:

My first review of Megan was deleted.Still I'll persevere.I haven't seen Megan for about a year but she is still a pleasant fun-loving intelligent girl. I would definitely recommend her for anyone new to punting as she is very understanding and makes the whole process as stress free as possible.She is so much like a girlfriend it's easy to forget to make the donation.Of course sexually she does what you'd expect,within reason,but all in the best possible taste.So if you are in Loughborough and want to "have it off" give Megan a go!
