The Premises:

In anonymous apartment block near to Victoria rail and coach stations. Welcoming and informative receptionist, both over the phone beforehand and in person on arrival. Felt comfortable right from start - clean, tidy, well furnished flat. Punishment / bedroom quite small but VERY well equipped: large comfy bed, lots of uniforms, great array of bondage stuff, and a whole range of punishment items, from tawses to canes.

The Lady:

I took to Emma the moment she walked in the room. Lovely smile, really nice personality, and the promise of a lovely body beneath the school girl uniform she was wearing (we had agreed clothing by email in advance). An indeed lovely it turned out to be!

The Story:

She set out her do's and dont's in a clear friendly way, then we talked through the scenario I wanted to play out: errant schoolgirl being punished by her 'great uncle' for her 'dalliance' with some of her older teachers. She played the role perfectly - including some imaginative twists in the 'plot' that she coped with very well - indeed coming up with some titivating ideas of her own that I hadn't thought of before. Lots of spanking over knickers then on bare bottom, and then some tawsing before she had to strip fully naked and stand with her hands on her head to have her lovely 'schoolgirl'body inspected. Then lots of OW, RO and submissive sex in my favourite mish position. Absolutely the best hour I've spent for a VERY long time - Emma is great both in and out of role (easy to slip between the two when you are with her) and I'll definitely be back before too long with another naughty little fantasy for us to play out together.
