### The Premises:

As previously reported: very close to CMK, Easy parking and still very discreet, despite the time of my arrival and late departure. As I've previously reported Divas offer Perfect Punting Pads, so it's always a pleasure to visit, and they are such a warm and welcoming establishment too. Needed to telephone on arrival due to fault on ext. call button.

### The Lady:

Ciao Bella: Dressed in sexy ensemble with heels Dita welcomed me into the apartment. She's a very pretty girl with a cheeky look. She has beautiful raven dark hair and a lovely skin tone. Very slimly built on a petite frame but she has got some muscles too! Perfect body for me: delicious small pert boobies and a gorgeous arse that demands appreciation and much more attention than 30 minutes. Speaks good English but I had to slow down a bit so she could properly understand me. Perfect proportions for me, but she may be a bit too petite for some larger gents.

### The Story:

Dita's been in my punting sights for some time as I do enjoy size 6/8's, and today just seemed the best time as she was appearing, in the flesh, live on stage at Divas? but straight away this 6 scored a 10 for presentation!

? on arrival she ushered me into her camera da letto where I waited as she fetched my drink. She was soon back and I took a sip ? she asked if I liked it, so I was honest and said that their coffee was not as good as my usual Lavazza and she agreed ? saying that was her favourite too ? but Divas would need a little cappi machine for that;) A purposeful, yet pleasant, exchange of words then laid the way for our forthcoming duo performance. She was easy to talk to and I deduced that she liked to be cheeky and have fun whilst she ?worked?. Suited me just fine, as I certainly found it hard not to smile in her enjoyable company from the off :) Realising I was in for a teasing time with this bella bambina, who certainly made it clear that she liked to take the lead, I was really looking forward to Act 1 as I suspected an early standing ovation was imminent.

This polite banter went on for a short while, then suddenly the curtain was raised and I was ordered

onto the bed by the prepotente bellezza giovane! She climbed on top and pinned me down before flexing her biceps in a display of decedent dominance. I was indeed surprised by her strength for such a slightly built girl. This was an unaccustomed, yet refreshing, change of punt-pace for me, and I was happy to go with her flow, even though I had only booked 30 minutes. I thoroughly enjoyed Dita showing me what she could do and it was easy to feel very comfortable with her in control. This perhaps felt more like what a GFE should be ? relaxing, unhurried and fun. Although I was very happy with her in charge, I did find it difficult to restrain myself, as she is one of those girls that you just want to wrap yourself around in a passionate frenzy and have your wicked way with :), but I managed to succeed admirably. Her teasing kisses and DFK were a joy and were delivered with that vero sentimento amoroso!

Moving smoothly into Act 2, Dita offered some great bouts of oral and some energetic and very enjoyable sex in between- particularly in cow girl which was a MOST enjoyable indulgence. 69 was very moreish but unfortunately had to be cut short on this visit due to the time :( [to be cont in Act 3 very soon...!]

Definitely not a clock watcher, Dita was in no hurry to throw me to the crowd after the curtain call, although I did forget to hand over the ticket price until the encore! Oops ?completely forgot, but so did Dita!! We spent some time saying our goodbyes at the stage door, before it was time to put her down and return to reality again? It was very difficult to leave! but I did, and I felt a great deal happier :)

Today?s performance definitely warranted review, because Dita provided a natural, uncontrived, and IME, unique GFE performance that was delivered with enthusiasm but above all it was FUN. My first and last ?Italian experience? very nearly deterred me from booking Dita, but I am very glad that it didn?t! I would love to play with her again soon. I thoroughly enjoyed her teasing and cheeky nature. She?s young and fresh, has a super body, and a lovely personality too - what more could a man want in a punt? She wasn?t too naughty today, but perhaps next time she will be.. .. Especially if she reads this :)!

Fino alla prossima volta che bambina impertinente xx
