### The Premises:

As previously reported, nice place, perhaps getting close to needing a re-furb - plus they were having electricity problems so a bit chily at first, until Yasmin warmed me up!

### The Lady:

Been to Directors lodge regularly over the years but this was the first time I have seen Yasmin, but it won't be the last! Lovely girl with a spectacular body (especially her breasts)

### The Story:

All the usual services - massage, oral, sex. No details, but Yasmin you made an old man happy - smiling all the way up the M1.
