The Premises:

Safe, secure, clean.

Comfortable, although decor looked a little tired.

The Lady:

Freya is a pretty lady. Blonde hair. Medium built with a few discrete tattoos.

The Story:

Started off with a back rub= nothing special.

She gave OW, I usually prefer OWO, technique was pretty standard. No eye contact.

Sex in a few different positions. Was OK. She did as I asked, just felt she wasn't enjoying it as much as I was. A few moans, here and there, a credit to her for making an effort. No eye contact at all.

At one point she had to ask me to slow down, as I was pumping too hard. More lube was added.

Anyway, I didn't feel rushed, she is worth a punt for her looks alone. I can imagine it's hard to make out you enjoy your job on every single occasion. I got exactly what I paid for, so I'll recommend her. But I'll try someone else next time.
