The Premises:

found it relatively easily. Parking was reasonable and used front entrance. did not feel unusual entering off high street up the stairs. Once in the place is a little office like in the reception area. felt clean but clinical. Was shown to room by receptionist and asked if i would like a drink and took a shower.

The Lady:

had already booked Morgan but Jamie was in reception - gonna try her out one day soon. Morgan entered the bathroom whilst i was showering - right little chatterbox. long dark hair fab figure and thighs to die for mmmm just how i like it. She had killer heels on that i asked to remain which she obliged. Morgan is pretty - not a stunner in my book but her body and attitude made up for that and we soon got sown to it.

The Story:

We had agreed kising - well no need to she was straight on it deep FK as i like it. 69 owo. I asked if it was true that shes a squirter. She replied she is if the right buttons are pressed.

well thats a challenge - when massage had finished we set at it and within 10 minutes of clitoral stimulation fingering her arse at the same time (god she is dirty) she squirted over me - what an experience it was all over my face loads of it.

finished in mish on the end of the bed until i filled the top hat up. all in all very memorable
