### The Premises:

Scorpio, as per usual standard

### The Lady:

5'9 tall, dark hair, Ukrainian but with good english, big breasts, hard nipples, but an unresponsive clitoris.

### The Story:

A bit of cuddling and massage, plenty OWO and ball licking, but when I returned the favour, nothing!! When I inserted fingers and massaged her g-spot, there was a reaction, but nothing directly on her clitoris, (past injury perhaps??), so disappointed, her cumming is a big bit of the experience. Finished with CIM, no intercourse (no point, too small), so not the best punt, have to say. Pity, really!!
