The Premises:

Modern mid-terraced house just south of the Centre - plenty of cheap parking at the bottom of the street. Clean, well furnished, safe and anonymous. Being modern, the walls are on the thin side - Milton Keynes has a famed theatre complex but also some poor actresses!

The Lady:

Taller than she first appears due to her long, slim but shapely legs, with pretty knees and very kissable toes. Small but perfectly proportioned body, gymn trained. No tattoos or piercings; Brazilian. Her hair has now lost its reddish shade but I believe blonde highlights are under consideration.

The Story:

It is now over eight months since I first reported on Dita. Not having seen her for several months due to holidays, it was time to renew acquaintance and refresh my thoughts.

Whilst a number of reports describe her as being "full on", Dita is happy in a number of different scenarios and it is this versatility and the fact that she is such good fun which keeps bringing me back. The previous Friday had been our initial reunion, for which I requested she join me in street clothes for what was a very GFE type of experience. Lots of kissing and cuddling as we slowly undressed each other (the longest this has taken was 22 minutes!), whilst the main event was in missionary - which with Dita can be the gentlest but most deeply satisfying sex I have ever enjoyed.

Whilst we have a pure sex scenario which normally provides maximum mutual satisfaction, there are occasions when I greatly enjoy a girl taking the lead and this Tuesday was agreed to be the occasion for Dita to "get her own back" in this manner. As she has the power-to-weight ratio of a Caterham 7, she soon had me pinned to the bed, sitting on my face for some RO which appeared to be well received, followed by some 69 action. She then took me in a mix of vigorous cowgirl and gentle reverse missionary (with a couple of refinements which shall remain private to Dita and I), alternately spurring me on and reining me back until the point of no return, when we climaxed together - and I completely forgot how thin the walls were! Afterwards, we relaxed with a mix of cuddling, chat and shared massage.

Would I recommend Dita, and will I see her again? Of course
- already booked. The question is, which Dita would I like to see next time.....
