The Premises:

Clean safe third floor flat in small block. Maria's room is ensuite and comfortable.

The Lady:

Petite and very much like her photos, only they don't convey her personal magnetism and all round sexiness. You just have to be there.

The Story:

I'd been tipped off about Maria and her extraordinary performance. I'd read stories of her on the PN message board. Even so I was amazed. In fact, I had the best sex with Maria that I've had with anyone. And a truly wonderful time. She's not only rapturously filthy, she's carefree and a joy to be with.

She greeted me with DFK and a lovely open smile. She was looked delightful. Pretty, pert, half naked and full of life and love.

She gave me a shower, chattering happily all the while, and announced she was going to do anything I wanted. She wanted to make me happy she said.

And she did. She's tiny and climbed all over me. It was simply mind-blowing. Extended deep throating, rimming both ways, RO, cowgirl sex, deep powerful anal to a climax. She was highly vocal throughout and really seemed to be enjoying herself. This was followed by a wonderful massage which slipped into more OWO bringing me to a juddering climax while insisting I played with her nether regions, fingers everywhere. She went for a snowball, but I declined, politely suggesting it was all for her. She laughed out loud at that.

The we had a cuddle and a chat, while my system gently recovered from its trip to Nirvana

I managed two rounds - which at my age is a bonus - and left in a trance. This one's a keeper, gentlemen.

Be good to her. She'll blow your mind.
