The Premises:

Discreet flat a short walk from Queensway. Room nicely kept, candlelit bathroom. Mirrors around the bed.

The Lady:

Pretty and petite Thai girl, with cute little arse, tiny bust - I would say A-cup - and big smile.

The Story:

Ella greeted me in an all-white Virgin Bride outfit, and wiggled around prettily accepting donation and getting me a drink. She had a bubble bath prepared for me already - the sign of a good oriental pro - and showed me a range of soapy frottage thrills including a foretaste of her deep-throating skills.

Back in the room we gave each other oral on her couch, with Ella eagerly kissing and taking fingers. Ella rubbered me up and the PSE ride continued on the bed with her riding me cowgirl until she came, then an energetic bout of doggie anal, and finally a great CiM finish.

Ella gave me a pleasant massage and we showered together. Overall, I was impressed. The girl has true horny talent for PSE with a pretty smile, so I do hope to call on her again.

The agency was polite and efficient in setting up the meeting.
