small and perfectly formed

### The Story:

this was a holiday visit as i spent the week in cumbria and i felt i should avail myself of an alternative attraction to the usual things one gets up to in the lakes(ie getting wet amongst others)  
this was a wonderful way to spend an hour or so as ruth, for me gets it just about perfect. no gory details but it is a shame that she is about 240 miles from me so i cantbe a regular.i will return if she is still around next time upp north
