The Premises:

OK flat, though not the tidiest, which is surprising for a Thai girl. Conveniently located near Edgware Road tube.

The Lady:

Photos on the website are accurate. Seemed much younger than your average Thai girl, perhaps mid twenties. Also, she has a more fuller figure than your usual petite Thai girl, more like a Caucasian woman.

The Story:

Chelsea welcomed me in and offered me a drink. We were both undressed to get into the shower before I remembered that I had not given her her "gift", which is quite surprising as it's usually demanded straight away. We both had a giggle at our forgetfulness.

She offers a pretty complete service - DFK, OWO, CIM and A-Level - and takes it all with a smile on her face. In the hour, managed to have two rounds which I don't always find possible.

Between rounds, she offered an amazing massage and we got chatting. She is a bit "ditzzy" and she can talk for Thailand, which some people might find offputting. However, I thought it was rather charming and endearing.

Overall, I had a very good time. Would definitely see her again.
