### The Premises:

Elegant apartment in Central London, very very discrete and safe. When I arrived everything has already prepared for the session, soft music, candles, the air mattress in the massage room and clean towels in the bathroom.

### The Lady:

Lovely young Japanese girl. Photos on website are recent.

### The Story:

Yokko was very chatty on arrival and put me at ease straight away. I was offered a drink and we had a brief chat, I was pleasantly surprised by her British accent.

We started with a joined shower which was very nice, lots of close contact that got me in the mood. We moved from the shower on the air mattress where Yokko covered me and herself in nuru gel and then the real fun started! It was a continuous slip-and-slide motion, VERY arousing and when I thought that it's over Yokko treated me with an awesome b j followed by some more slides and touches.

It was one of a kind fun adventure!
