### The Premises:

Met at Victoria's flat in reasonable, new town, residential area. Bathroom clean and tidy, bedroom a little cluttered as it is Victoria's home, not a working flat

### The Lady:

Victoria is a cuddly young lady in her now late 20's. Ginger hair, very smooth white skin with freckles. First impressions-a girl next door.

### The Story:

I got to know about Victoria through her postings on The Forum and as we share some mutual interests I was keen to see her when I was up in the North East on business.

Victoria met me at the door in a flowery dress but underneath was nice black lingerie, including a traditional 6 strap suspender belt holding up seamed stockings.

After some initial kissing and cuddling, Victoria had my clothes up and gave me some real deep throat oral. I returned the compliment and was soon giving her some 3 point stimulation and lubing her pert little bum hole.

I came up on top for some deep mish but finished off with anal in the mish position I enjoy.

While lying on her bed recovering and chatting, Victoria noticed I was stiffening up and took me in her mouth for more fantastic O. Then into doggy position at edge of the bed for me to finish off in her bum again. A nice touch was Victoria, moving her wardrobe mirror so we could watch the action.

We then chatted more about things, and I left happy well after I should have done.
