The Premises:

HOD is a discreet flat on a posh street. The entrance is a bit like a doctor's office, and there are two ensuite bedrooms. Everything was clean, including the shower. A class act.

The Lady:

A strict regimen of sport keeps Sadie amazingly tight and trim, with slim, shapely legs and a bottom you could bounce a penny off of. Tiny waist, enhanced (but well-done) boobs, wicked smile. Her hair is Bettie Page black (and the rest of her is quite Bettie too, now that I think of it.)

The Story:

There's no shame with sexy Sadie - whatever your fantasy (as long as it's safe), she's up for it. I gave her a role (ashamed nympho vaguely craving humiliation) and she dug into it (and my cock) with fervor. Her oral technique is divine. After I lost my plot, I returned oral to a pretty glorious response and then she teased me back into action for some cowgirl while she talked filthy. Beyond her tasty tight body, she was open, friendly and smart - experienced but not hardened, a great GFE afternoon. Perfect for a first-timer.
