### The Premises:

No Problems finding it and nice inside.

### The Lady:

A slim and busty European girl.

### The Story:

A stunning Eastern European girl in her early twenties I would say. Beautiful long lusher hair. A great body, although boobs are enhanced, she still looks terrific. Not the most talkative of girls but her looks blew me away so I didn't really have much to say anyway. Not a bad service, could of put a bit more effort into it but she still managed to make me cum whilst giving me oral. Haifa really is a beauty and is worth seeing at least once just to look at.
