### The Premises:

very clean and very welcoming - usual high standards and all discreet

### The Lady:

sexy! short, curvy and more beautiful than I'd expected or I could have worked out from the website. Billie had personality oozing out of every inch of her and was dressed very seductively.

### The Story:

I'm not usually moved to write reports but Billie is enough to move you to most things. If this wasn't business you could imagine falling hopelessly for her and ruining yourself - and it would absolutely be worth it!!!

She was very open minded and when I declared I was just a little kinky she took the lead and surpassed my dirtiest expectations. The details don't really matter as I suspect she'd be up for just about most things and be just plain blooming brilliant at them and leave you feeling so good about life at the end of it!

Thanks Billie - I'll certainly be back.
