### The Premises:

Annanbella's - ground floor flat in residential area. Clean tidy, shower and towels available. Safe and easy to park at pay and display near by (30p/hr)

### The Lady:

Pictures are accurate. Tends to be rather heavily made up which is a shame as she is naturally pretty.

### The Story:

Good punt. Dressed as requested in short black skirt, stockings and no nickers. Nice friendly gir. Started with me giving her RO which she clearly enjoyed. Then moved to face sitting and she really encouraged me to get my tounge right up her pussy. Then a surprise moved to 69 but she wanted me on top. As to sucked he pussy she made evey effort to help me get right inside her and in the mean time I was f\*\*king her face as she took me in her mouth. Could not hold on for too long like this so exploded in her mouth and she swallowed the lot. Seconds were offered but usually I am a one trick pony !

She told me she had one punter give he a bad write up - cannot understand why maybe he left his white stick and dog outside.

Great Punt - really good attitude and great OWO/CIM. I will be returning for some more.

Treat her well - recommended
