The Story:

I have visited Annabellas before although it was at a different location, on the same street. I chose Diana after seeing her pictures and they do not do her justice! That cheeky grin had me melting instantly and her body is to die for! I had a feeling when she entered the room that this is not a girl that you can treat like a common streetwalker.

We had a chat while she was running her hands over me from behind, licking my ear and pressing her boobs into my back which had me ready to explode before we even started!

Then she went down on her knees in front of me and started teasing my cock and balls with her tongue. After that it gets a little blurry :)

OWO, 69, 3 positions and I finished with doggy while she stroked my balls.. This girl is very flexible! Gents, she's special, so treat her with respect! Intelligent, educated and drop dead gorgeous. I would happily have this girl on my arm everyday! And she's worth much more than what I paid that day. I will be seeing you very soon Diana, thank u for a lovely afternoon .
