Dita is very beautiful and slim ? perfection!

The Story:

I saw Dita a number of times in South Ken about a year ago before she disappeared. Since then she seems to have worked mostly in Milton Keynes - so on a trip north I took a detour!

I didn't know quite what to expect after such a break but it was just like seeing a much-missed long lost girl friend (in a good way!). She is great company, in turn gentle and passionate. I remembered her very special skills and was delighted to discover she has refined them into a fine art. The intimacy was wonderful ? the nearest thing to making love!

Afterwards I sat in my car for at least 20 mins to savour the experience. It may have been midday but this came to mind: ?Bliss it was in that dawn to be alive!?

I haven't written a FR in years and most of those I visited have moved on and had their reports removed so this may appear to be a ?suspicious? review. It is not - one of the reasons for writing is to encourage the H of D management to PLEASE GIVE DITA A REGULAR SPELL IN SOUTH KEN. Otherwise I'll have to find more reasons to head north!
