The Story:

Beth is a wusiwg woman ? friendly surprisingly pretty no face pics on her site, awesome tits and very moist cunt. Being following her for years and finally found a chance to be in her area.

I declined the massage offer despite reading great reviews I could not wait to get hold of her and use her for every minute of the 90 mins I had booked. So after the shower she let me undress her and to my pleasure she was wearing a cup less bra and no knickers under her dress so within seconds I was able to finger her cunt whilst have a good suck on her tits, her cunt was already nice and damp offering no resistance to my fingers sliding in and out. I helped her onto her ?gynotable? thing and getting her legs into the supports that opened up her cunt for me.

She had put out some toys for me to play with but preferred to use my personal toys fingers tongue fist and cock to play with her. So spreading her labia I sat down in front of her cunt and enjoyed easy eating managing to get her to cum for me, she was sopping wet just begging (not literally of course) for a fist fuck stretching her nice and slow. I had read that she likes being arse fucked whilst fisted so after checking this was true she guided me through this, gently pushing cock into arse after lubing it with pussy juice then once cock nice and snug deep in arse do not move as slide fingers then fist into cunt. Then when I had her well and truly stuffed start pumping both fist and cock. All this with her cunt and arse exposed on the gynotable ? if you have never tried fucking arse whilst pussy fisting you are missing out guys fanfuckintastic

I came so hard my knees went.

Time for a lye down Beth then gave me a great massage with her tits whilst I got my breath back for a good old fashion pussy fuck with her bent over on the bed.

The woman has stamina she had me drained then I needed a pee, and being a bit of a fan of watersports I decided to have a go I something she used to advertise, to pee in her pussy, Beth took me to the bathroom then got in the bath spread her legs and inserted a white tube of sorts into her cunt that opened it up for me to use so I knelt between her legs and aimed into her enjoying watching the hot golden stuff go straight into her then over flow. Never seen a woman do that with

the tube thing before but nice touch very horny.

What a horny dirty cunt ?????loved it ? knackered now need to sleep for a week just remembering fucking her.
