The Story:

Beth was one of my favourite pass times a few years back and was very pleased to see she was spreading her legs again.

Been a while so decided to go for a bit of everything ? she started me off with a tit massage to my back before letting me loose on her curves cannot think why but the hands quickly found their way to a very juicy pussy whilst I devoured her breasts ?get the impression pussy was pleased to see me as very wet and beth moaned in pleasure lifting hips up to greet me. In need of unloading very quickly so got Beth on her back with her legs up against my shoulders , held her pussy lips open to admire it and rammed straight into her , did not last very long before shooting for gold.

Now for some pamper time as Beth treated me to a tantric massage bringing forth more cum ready to be shot. Did not want to cum this way as wanted a bit of her wide but tight arse action , bed bit low so she bent over the side of her sex table whilst I got to pound into that tight rosebud of hers she responded by rocking back onto me as I road it.

All rounded off with a shower where she scrubbed me down before letting me get her all soapy and finger her pussy again . Mind wanted to shag her in the shower but cock worn out.

The woman gets hornier and more wanton
