The Premises:

First floor flat five minutes walk from Chancery Lane tube. Flat was spotless, safe area. Massage takes place on table and shower is available before and after appointment.

The Lady:

Gorgeous Chinese lady aged 23. Slim, great figure, lovely breasts with prominent, suckable nipples. Angela was wearing a very short mini-dress with black stockings and high heels at my request. She looked stunning. Knew that I was in for a memorable time.

The Story:

Angela started off with a massage which got more and more sensual as her lovely hands reached the tops of my legs and my buttocks. After some exquisite anal play and ball stroking I began stroking her legs and gently pulled her panties to one side and caressed her wet pussy. There then followed a slow, erotic hand job with plenty of kissing - she's a great kisser - before I went down on her hairy pussy with my tongue and made her come. Came myself a few minutes later with her slow strokes. A very, very satisfying punt. Other services are also on offer including full service.
