### The Premises:

Danie uses a house in Staines Monday - Thursday in a quiet residential area. House was clean although the decor was eclectic. Quiet road and no problem parking but a long way from the station.

### The Lady:

Danie is in her early fifties, definitely a MILF and BBW, about 5' 8" and 38GG, she says, with long dark hair. Forgot to take my tape measure.

### The Story:

Normally I like Thai and Chinese but this lunchtime fancied popping out for an English. I parked in the road and phoned and she directed me in. Up to her room and opted for the VIP service which included OWO, CIM and FK although didn't get the latter. In her heels she could almost look me in the eyes but my eyes were focused on her magnificent mammaries. Off with the gear and had to give them a good licking. Onto the bed and then into a sort of horizontal 69. Things were going uphill fast. After a lot of this (she loves cock) into mish then doggy and was offered a tit wank between the aforementioned orbs, finishing in her mouth. We had a little chat, she's a friendly and chatty woman and not one to hurry you. Went off with a smile on my face and feeling hungry so stopped in Sainsbury's for one of their large sausage rolls. Well, I was in the mood for an English.
