The Lady:

If you are looking for a page three model then Suzannah is not for you,. If, like me, you prefer your ladies to be real women, with curves then she is for you. Not small, but not a BBW quite. The description on her website is totally honest.

The Story:

What a wonderful lady, who really understands what makes a man tick! I cannot decide if the highlight was the massage, the oral, the RO, the sex or the great company. All were excellent. She is obviously a lady who not only enjoys sex, but is also comfortable in her skin and who knows how to turn a man on. The memory of her fingers lightly fondling various parts of me will stay for a long time.

Really good punt, thanks Suzannah, and sorry I couldn't sort out your iPad.
