The Premises:

Helen's house is in a suburban street and is very quiet

The Lady:

She is tall and very slim with an air of sophistication and in her mid fortys.

The Story:

For the details of the meeting I can echo the previous reports.

Helen's massage is definately one of the most sensual experiences I've had (and I've had a few), whilst not a full service it left me wanting nothing more and I will certainly be reterning when I am next in the area.
