The Story:

Arrived at 5 to 7, as the agency said to be prompt. All was arranged with the agency very well. As the door opened i noticed it wasnt Maria, her flat mate had let me. Nice looking girl not sure of her name?

I was shown to a room where Maria was waiting for me. Tiny little thing body built for sex. Amazing tits! I think all has probably been said before. I had an excellent hour. owo, deep owo, spitting gagging, rimmed me to an inch of my life, daty, fingers both holes. A vibrating toy for good measure. Short vag sex then onto anal. Anal in several positions then then money shot in anal cowgirl. In short its all been said before Maria is amazing the service is second to none. I almost forgot the deep FK! it was as if id returned home from 6 months on guarding the queen.

I have never left a report but Maria asked so nicely i promised i would. I will be back in a flash. Treat this gem well guys!
