The Lady:

Naomi is a really beautiful lady from Jamaica originally but has lived in the UK for many years. She has a perfect figure , big breasts but for me her legs are the real thing they go on and on.

The Story:

Chose Naomi as soon as I saw her. Not only her figure but her lovely smile turned me on. Started with back massage , it was an enjoyable feeling as her hands moved down my back and then they moved between my legs as I got up on all fours, turned over to enjoy the sensation of her lips on my roused cock as I kissed her breasts. Then on with the rubber as she sat on me ,some energetic activity then onto 69 as I always enjoy giving oral. Finally total satisfaction as I came to a brilliant climax. Then a little rest and hug hug before tidying up and dassing
Sex with Naomi is near perfect but what I like is her character she likes a joke , is adaptable and is intelligent. Definitely will see her again
