### The Premises:

The place appeared to be neat and tidy. felt cozy...

### The Lady:

Voluptus, super silky, fair and gorgeous...Nice Tattoo

### The Story:

She was the first one to introduce herself and i had made my mind then and there...Super sexy a bit plump or healthy i should say.Although this was my first time to be with a girl on bed, i think i made a good effort with Abbei's help..she made me comfortable. gave me enough time to adjust myself and was sweet. Her moans were nice and made me fuck her harder...will definitely want to see you again for longer time...
