The Premises:

Functional flat, clean enough but the "bed" turned out to be a mattress on the floor. Several girls work at this location they advertise on Ace massage as "Beauty girls".

The Lady:

I had actually asked to see Angela when I rang earlier in the day and was told she was working but the young lady who opened the door appeared to be Kelly who's pictures also appear on their site. I asked if Angela was here but just got a shrug of the shoulders. As Kelly wasn't a total minger I decided to go through with it. She says she's Brazilian, nice enough face, 34c tits and gorgeous big arse. She offers OWO and CIM.

The Story:

I know for sure that it was Kelly I'd spoken to earlier on the phone as I recognized her voice and at that time she spoke pretty good English but for some reason her language skills now seemed to be more limited, I thought we'd agreed ?120 for an hour which would include OWO and CIM and handed it over. After giving Kelly's pussy a good licking out she proceeded to place a condom on me before giving head, I asked her about the OWO which had been agreed but she now said that was an extra fifty. Very, very reluctantly I handed it over knowing full well I'd been had, but what can you do.

Her oral isn't bad but I only managed to deliver a little of my load into her mouth before she pulled away. She left the room after that and was gone for nearly ten minutes, on her return I gave her a good pounding in doggy, she is a nice site from this angle and I did enjoy it. I have to advise you to avoid this place, fake pictures on the website and dishonesty when it comes to the money seems to suggest it's a dodgy establishment.
