The Premises:

Safe location, plenty of metered parking outside. Ground floor flat, with large adequate bedroom and separate bathroom. Only one fault bedroom needs more lighting and mirrors so you can see the fantastic action from all angles.

The Lady:

Beautiful, slim Thai lady. Soft skin and all natural body with a lovely bum. Amazingly. She looks better than all her website pics on all the sites! She's also not as tall as she looks in her pictures. Another bonus.

The Story:

Fantastic service! Wow. She offered a bath and drinks, then followed Lfk, Owo and gentle body rubbing, then round one complete with her tight pussy cow girl. After that followed an amazingly sensual Thai massage. Round 2 was more of owo, then actually offered A level. Yes that's doesn't happen often, I enjoyed that in doggy, spoon and finally mish. Very very fresh and tight girl! No clock watching and talkative and attentive throughout. Treat her well guys, this ones a gem.!
