The Premises:

Nice place. Very secure neighbourhood. Highly upmarket area and close to the tube station. The apartment is small with two bedrooms and you are ushered in pretty much straight into the room and are asked to come on time and not a minute before. The maid manages this wonderfully though.

The Lady:

Misha is a stunner. Firstly the biggest reason I went to see her was because she is an Argentinian and that is now checked off my list. She was exactly as described on the website.

The Story:

This is my first ever field report and the reason for that is Misha is by far the best punt I have ever had.

She came in and after the initial pleasantries and transactions, we kissed for a few minutes while we got undressed. She didnt seem to enjoy DFK, so that was a bit light. Once on the bed she caressed me and I went down on her. She was clear no fingering, but she was more than happy with my oral skills. We then moved to RO and how wonderful that was. Rolled onto my back and i received one of the best BJ's ever period. Moved to Cowgirl and then finished like a dawg!! since we had a few minutes left she offered to massage me and her hands are very very firm for that as well. All in all the best I have ever had.
