### The Premises:

Very clean place in a nice area of crewe. Felt very safe even when entering in the front entrance

### The Lady:

Sienna has the body of an angel. An arse to die for. Lovely blonde hair

### The Story:

As soon as Sienna entered the room I knew I was in for a treat. Started with an amazing massage. She was chatty and friendly and put me at ease straight. A nice addition was DFK after the massage. Then onto OWO and would have to say it's the best I've ever had. The way she moaned and gasp as she sucked on my cock and little and sucked my balls oh my!

I then proceeded to return the favour....she had the nicest tasting pussy. Her moans of pleasure were such a turn on and she came with a very loud gasp..which really fueled the fires. On with the condom with her on top..sienna looked amazing riding me and she did this with lots of enthusiasm. More OWO followed and I came buckets.

A nice massage and some more friendly chat followed. Then into 69 where we both came again! Sienna is an absolute gem and she is a very special lady. The best experience I've ever had and the first chance I get I will be back. I just hope Sienna enjoyed it as much as I did! I couldn't recommend highly enough. Top service from a top girl. Brooklyns is the best!!
