The Story:

I see Roxy regularly: the best experience I've found that in the Bristol area.

Got a kiss as I came in, as I'm a regular, then straight in the shower.

Definitely no clock watching, time doesn't start 'till after the shower.

Sh looked lovely in just stockings and heels. As I only had time for a short session, we didn't have time to do any uniform fun and games, which she is very good at!

Her speciality is giving head, and I've never had better, she keeps you just on the edge of coming.

Tease in the best meaning of the word, you really do end up aching to cum.

With that as the warm up she popped on the rubber and we started with doggie, and she's as enthusiastic and skilled at fucking as she is in giving head.

Then a bit of missionary so I could look at her as I pounded away, and finally finished with oral. Brilliant session.

Well worth the money, next time I'll see her for my usual 3 hour session.

Pictures are accurate, but do not do her justice.
