### The Premises:

Discreet entrance down an alley that is used by a public house and what looks to be a post office/sorting office so its not obvious where you have been when entering or leaving GFE.

Very clean inside, entertance via buzzer and feels nice an easy inside.

### The Lady:

Dark hair, perfect tanned tight petite body, beautiful girl.

### The Story:

First punt ever, arrived at GFE and the very nice receptionist called out each girl to introduce each of them, some of the girls seemed uninterested in me (don't blame them) however Sammy was sweet gave my hand a little shake and just looked amazing, as soon as she turned around and I saw her tight arse walking away I knew she was the one.

After a quick shower Sammy entered the room and saw I was nervous and offered to start with a massage while she explained the service/prices, we had a nice little chat about living in the area as I'm not from around Sheffield then I opted for the basic service for £45 (covered BJ & sex)

Sammy was soon putting a condom on and sucking my cock until hard, she carried on giving me a BJ making loads of effort, she then got and top and rode me for a while until I got on top and came.

I have no complaints and have no doubt I will visit her in the future and enjoy some extra's.
