### The Premises:

Different to last time, still on the MK Hub. Nice area, lots of (expensive) bars and restaurants nearby, good parking, very safe, very discreet.

### The Lady:

Gorgeous, tall, shapely, thin waist, good T&A, friendly, cute smile, sparkly eyes.

### The Story:

I always used to do single visits, never more, trying every girl with a good report. Now I just go to Helen. Every visit is different. She does PROPER GFE. But she is unshockable (read some of her other reports!!). So I started with one little perve, then another. Every visit is different, every visit is excellent. I have experimented so much with Helen, I trust her completely. If you want to enjoy a non-vanilla experience, that is Helen, all the way. Enjoy, and be nice to her, you will get it back in spades!
