Profile Name: Amanda Sutton In Ashfield
Phone: 07763363747

The Premises:

One bedroom flat in Central Sutton in Ashfield. Clean & definitely functional. Felt very safe, secure & discreet. Pay & Display car park 200 yards away. A first timer would easily be able to find the place.

The Lady:

Gorgeous lady, she is an absolute knock out. Extremely attractive face, lovely smile & very sexy eyes with a toned body made for sin. She is one red hot lady. Approx 5'6" Nice & slim size 10. Dark hair, well cut & styled. Well manicured & painted nails. All in all, she looks stunning.

She looks like the woman that you would see in a supermarket or in the pub & then think to yourself "If only....." Wow, oh yes, I fancy her big time.

The Story:

This was the 4th time I had seen Amanda in less than a month. I had also seen her 12 months previously, just the once.

I arrived at her place & was let in. She looked amazing in a black thong & matching bra. After a quick chat we moved into the bedroom. Off came the underwear & we lay on the bed kissing, cuddling, stroking & generally exploring. Amanda is a great kisser & does enjoy being kissed.

She then moved down on me & started to give some seriously good oral. Deep & wet. My eyes were soon rolling & she needed no encouragement as she showed off her world class skills. After about 5 minutes I had to tell her to stop. I was enjoying it enormously but i didn't want to pop right away. She suggested a 69, but that too would have finished me off far too quickly.

I asked her to lie back whilst I returned the favour. Her shaved pussy was so inviting & tasty as I went to work on her. She made all the right noises as I tucked in with vigour. By the time I brought her up to the boil, my face was covered in her delicious juices. A headlock between her thighs told me she had hit to high spot.

A very brief rest & then on with the jacket. Full sex ensued with her still showing plenty of energy & passion. Still lots of kissing & seriously sexy noises. Sex in several different positions including mish

& cowgirl, culminating with me unable to take any more whilst banging her as hard as I could from behind.

Then a clean up & a nice chat in her living room. At no point did I feel rushed. Of the 30 or so escorts that I have seen in the last 12 months, she is definitely the best. Top notch. If Carlsberg did escorts, they would be called Amanda.
